

REMARKS

The title has been amended clearly indicative of the invention to which the claims are directed.

New corrected drawings are provided as required.

The objections to claims 21-40 and 42 have been avoided in a manner suggested by the Examiner.

The Examiner indicated that claims 21-40 and 42, the only claims presently pending in the case, were allowable. Therefore the case is now placed in condition for allowance.

The Commissioner is hereby authorized to charge any additional fees which may be required, or to credit any overpayment to account No. 501519.

Respectfully submitted,

 (Reg. No. 27,841)
